6. Courses & Course Page Structure

On the Courses page, create **three separate course columns**, one for each track:

- **Judiciary**
- **Additional District Judge (ADJ)**
- **Assistant Prosecution Officer (APO)**

Each column should describe that course and show that **two batches — morning and evening** — are available, so the student can choose according to their preference.

Batch Timings

- **Morning Batch:** 6:30 AM – 7:30 AM
- **Evening Batch:** 8:00 PM – 9:00 PM (major subject), followed by 9:00 PM – 10:00 PM (minor subject)
- **APO only** — 10:00 PM onwards: group discussion.
- Subjects are offered till the examination.

7. Fee Structure

- **Monthly fee:** ₹2,200 per month (after a 12% discount on the regular fee of ₹2,500).
- **Security deposit:** one-time, adjustable in the final month.
- **Course duration:** till the student's examination.
- **"Join Soon" offer:** a limited-time launch offer — display prominently with urgency (e.g. "offer ends soon") to encourage quick enrolment.

8. Free Resources (Lead Magnets)

- **Free Probation Course** — the complete video playlist for the Probation (of Offenders Act) course is available free of cost. This acts as our showcase — students watch it free and get a feel of our classes.
- **One Free Question Paper** — one full question paper available free to try.
- **Free Counselling** — free counselling provided within 24 hours (see form below).

9. Free Counselling Form

Heading: "Get free counselling within 24 hours and clear all your doubts." With a button to apply for a counselling session. Form fields:

- **Name**
- **Subject**
- **Contact number**
- **Backend capture** — every submission must be automatically saved and forwarded to us (admin),

so we receive each applicant's details (name, subject, contact) without any manual step. Ideally stored in an admin dashboard / sheet and/or sent to our email or WhatsApp.

10. Test Series & OMR System

- **OMR-style interface** — objective questions displayed alongside an on-screen OMR sheet for the student to fill.
- **Attempt limits** — tests are not unlimited; set a maximum number of attempts per test. For example, a free test allows a maximum of 3 attempts.
- **Built-in timer** — each test runs on a timer; when time is up, the test closes automatically (auto-submit).
- **Auto-evaluation** — the system automatically calculates and displays the result/score after submission.

11. Performance Dashboard

- Track and display each student's performance through graphs / pie charts.

12. Additional Website Sections

- **Reviews** — a dedicated section for student reviews / testimonials.
- **Photos / Gallery** — a section to display photos.
- **Demo Class** — a dedicated section for demo classes.
